## National Visitors

Highlighting: CDMX, EDOMEX, Queretaro, Puebla, Hidalgo, Guanajuato, Morelos, Nuevo Leon, Jalisco & Michoacán.

## International Visitors

**Esteban Ramírez**  
Commercial Manager Asia Robótica  
"We have many years participating in MEM, it has always been one of the best exhibitions we have been to, it is the one where we generate the most leads and the most sales. We have been surprised by the flow of qualified buyers and the volume of visitors."

**Robert Fuentes**  
CEO SIMSA (TeoWin)  
"Quite a lot of people came, we did a lot of presentations. The Mexican market always gives us good results."

## Maka-a-ton 2023

### Makers for good, another year

We celebrate the fourth edition of Make A Ton, a project that seeks to transform processes, business models, products and services of the furniture industry based on circular economy concepts.

### Winners of the edition 2023:

1. Simri Esau Maldonado Meza "AIDEE".
2. Cesar Olea López, "Base".
3. Alejandro Cárdenas Hernández Comedor MU.

## VISITORS

**Pedro Rodríguez y Nemesio Flores**

"We have learned a lot, because there are new technology products that can help us in the processes of manufacturing our products."

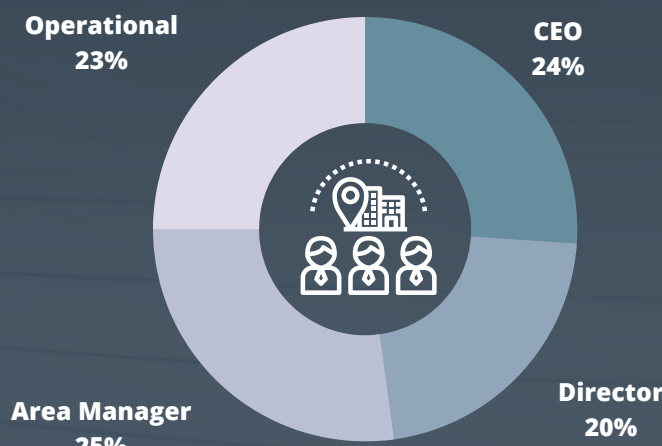

## VISITOR

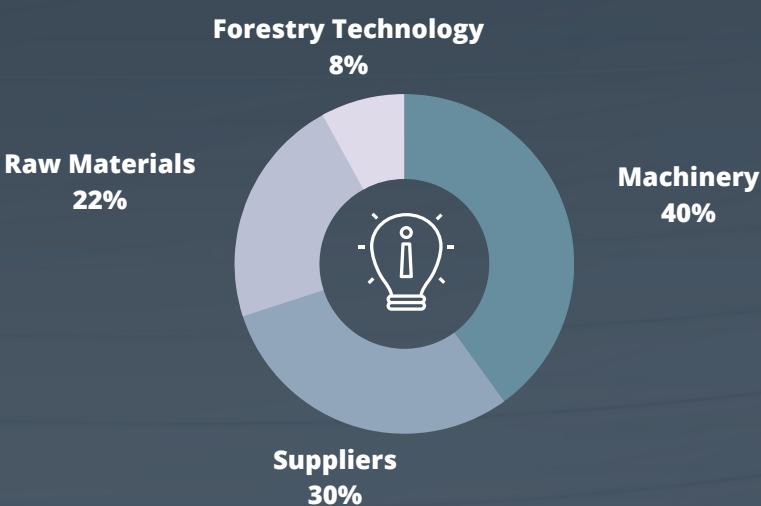

**Pedro González**

"There's a lot of new technology, there's even a lot that I didn't know about, there are really good products and hardware that I think are worth getting to know."
